REHEAT INSTRUCTIONS

All our packaging bottoms are oven and microwave safe!

REMOVE PLASTIC COVER

Can't finish it all? Packaging is also freezer friendly!

Soup

Heat to 165°F, stirring occasionally

Main

ROASTED TURKEY

Oven: Preheat oven to 350°F. Cover bottom of pan with a small amount of water. Cover with foil and bake 18-25 minutes.

With a meat thermometer check to make sure the center reaches 165°F.

Microwave: Cover with a paper towel and microwave on 50% power for 4-6 minutes or until center reaches 165 °F.

CHICKEN PARMESAN

Oven: Preheat oven to 350°F. Remove plastic cover. Heat 12-15 minutes per 2-4 portions, add 4-6 minutes for portions of 6 or more or until heated through.

Microwave: Cover with a paper towel and microwave on 50% power for 4-6 minutes or until hot, add 4-6 minutes for portions of 6 or more or until heated through.

Let stand for 2 minutes.

Dessert

PUMPKIN PIE

Oven: Preheat oven to 350°F. Place pie on rack.

Cook 40-50 minutes until center is set.

Side Options

STUFFING | WHIPPED POTATOES | BAKED PENNE
REHEATING FOR ALL ABOVE SIDES

Oven: Preheat to 350°F. Heat, stirring occasionally, for approximately 15-20 minutes for 2-4 portions, add 8-10 minutes for portions of 6 or more or until thoroughly heated.

Microwave: Heat on 75% power for 2-3 minutes at a time stirring at each interval until heated through. Add more time for larger portions.

Side Options

BUTTERNUT SQUASH | BRUSSELS | GREEN BEANS
REHEATING FOR ALL ABOVE SIDES

Oven: Preheat to 350°F. Heat, stirring occasionally, for approximately 15-20 minutes for 2-4 portions, add 8-10 minutes for portions of 6 or more or until thoroughly heated.

Microwave: Heat on 75% power for 2-3 minutes at a time stirring at each interval until heated through. Add more time for larger portions.

Tips from our Kitchen to Yours ♥

When using the microwave for foods that allow it, stir food after every 2-3 minutes.

Heating time may vary depending on amounts of food being reheated.

Always check food halfway through heating to gauge temperature due to oven inconsistencies.

Always reheat all precooked foods to an internal temperature of 165°F for 15 seconds or more.
